Old US 66 Structure Replacement

Funks Grove – The Illinois Department of Transportation announces that weather permitting; work is scheduled to begin June 15, 2015 for the reconstruction of the structure carrying Old US 66 over Timber Creek, 4.5 miles north of US 136 near Funks Grove.

Old US 66 will be closed to through traffic at this location while construction is ongoing. A marked detour will be in place utilizing County Highway 34, Interstate 55 and US 136.

This project will include complete removal and replacement of the existing structure, associated earthwork and pavement replacement. The estimated completion date is October 31, 2015.

The contractor for this \$1.3 million project is Stark Excavating.

Please slow down and use extreme caution while driving through all work zones.
